  - b. To correct a MISTAKE on the original birth certificate (check with the Department of Public Health, Office of the State Registrar for the proper procedure).
2. **Every person 22 years of age or older whose name appears on the “Petition for Name Change” must follow these instructions before the court can act on the petition.**
3. Under Michigan law, every person 22 years of age or older who is requesting a name change must have a complete set of fingerprints taken at a local police agency. Those fingerprints will be used by the Michigan State Police and Federal Bureau of Investigation to check criminal records. The Michigan State Police will send a report to the court regarding any criminal records. If you have a criminal record, it will be presumed that you are seeking a name change with fraudulent intent. You must prove to the Court that the name change is not being sought with fraudulent intent.

5. The Michigan State Police will review their criminal records and will forward the fingerprints to the Federal Bureau of Investigation. Once the Federal Bureau of Investigation has reviewed their records and reported the information to the Michigan State Police, the Michigan State Police will send a report to the court.
6. After the court receives the required report from the Michigan State Police, the court will contact you to schedule a hearing on your Petition for Name Change. **If you have not heard from this court eight weeks from the date you mailed out your information to the State Police, please contact this court at 269-983-7111, extension 8365.**
