QUICK TIPS

ON WHAT TO DO WITH YOUR MEDICATIONS

- ◆ Keep your prescription drugs in a locked or secure place.
- ◆ Monitor your medicine cabinet and keep track of how many pills are in each of your prescription bottles.
- ◆ If your children take prescription drugs, keep control of the bottles. Talk to your school nurse about monitoring and giving your teen their medication during the school day.
- ◆ Educate your children about the dangers of abusing prescription drugs and tell them that sharing prescription drugs is illegal.
- ◆ Be alert – Monitor Internet use in your home. There are many sites on the Internet where prescription drugs can be purchased without a prescription.
- ◆ Don't keep unneeded medications in your home. Properly dispose of your unused prescription drugs at one of the locations listed on this flyer.
