NAVIGATING TO THE SITE

Users have a choice of 2 paths to the Interactive Internet Mapping Web Site -

- www.berriencounty.org Click on the GIS Department's link located on the **left** side of Berrien County's Home page. Here are links to the On-line Tutorial and to the Interactive Mapping Site. We recommend this link. Website news, tutorials and updates as needed are available on the same page as the Website Link.
- www.berriencounty.plansitegis.com This is a **direct** link to the Interactive Mapping Site. Customers can create an account on the Interactive Mapping Site's homepage. Three account types are available -- see features below. The Interactive Mapping Site's home page contains a link to the account set-up screen.
