(Article III, 3.9B-C) The Board of Commissioners embraces diverse points of view as the Board considers a wide variety of policy challenges. The right to be heard is a central democratic value. That said, public comment is most productive when it is civil and respectful. Personal attacks have no place in reasoned discourse. We urge all commenters to share their viewpoints in a manner that is respectful and courteous, and to refrain from making comments that are abusive, defamatory or obscene.
