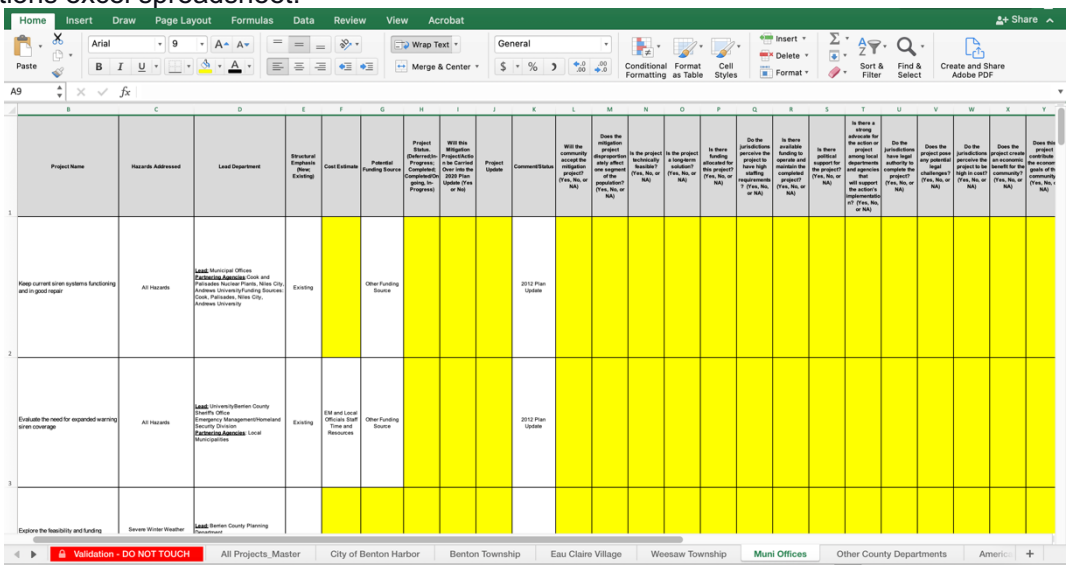
Berrien County, MI HMP Documenting Previous and Proposed Mitigation Projects

Instructions: Each jurisdiction received their project update excel sheet following their jurisdiction's one-on-one meeting with BOLDplanning, Inc. Please complete this excel sheet with your jurisdiction's project updates and input your proposed project for the Berrien County plan update. Here is a description of what to include in each column of the table highlighted in yellow on your jurisdictions excel spreadsheet.



- **Project Name**
- **Hazard to be Mitigated**
- **Project Description**: Provide a brief description of the proposed project (including location, score of work, and the need for the project.
- **Project Update**: For carry-over projects from previous plan, provide the status of the project and the reason why the project is being carried over or deferred for this plan update cycle
- **Responsible Party for Implementation**: Identify the lead agency or department responsible for implementation (i.e.: Berrien County Sheriff's Office or City Public Works Department
- **Cost Estimate**: Estimated cost for implementation (Rough dollar figures are ideal, but if unknown a specific range is acceptable)
- **Structural Emphasis**: Identify the project as proposed if a new project or Existing if being carried over from the previous HMP plan.
- **Potential Funding Sources**: Identify potential funding sources, which will be supported for the mitigation project (i.e.: General Fund Budget; Local Funds; Federal/State Grants)
- **Overall Priority (STAPLE+E)**: These questions are related to how the project (either proposed or carry-over) will affect your community. These questions are to be answered Yes, No, or N/A
