BERRIEN COUNTY DIRECTORY

FEATURING the
BERRIEN COUNTY ROAD DEPARTMENT
Prior to legislation changes in 1882, which established the right for counties to have highway authority and establish a system of county roads, most roads were constructed and maintained by townships. Without State funding, these local township roads relied on residents to maintain the public roads. To do so, based on property value, a resident would receive an assessment on “days of service” they would be required to do road maintenance. Property owners would use their own farm equipment in order to complete the required work.

In 1915, the Covert Act was passed which permitted county road construction to be financed by the sale of bonds and the establishment of assessment districts to pay off the bonds. Within ten (10) years, the Berrien County Road Commission had over 400 miles of County highways, which were primarily constructed through Covert Bonds.

The State of Michigan then began creating Road Commissions, which would be overseen by a Board of Road Commissioners. Road Commissioners were appointed by the County Commissioners (County Commissioners are elected by a vote of the people). The first two Commissioners appointed to the Berrien County Road Commission held their first meeting on March 13, 1917. At that time, road funding for county and township roads came from property taxes and general funds. This provided limited financial resources to support maintenance activities, resulting in the majority of roads being maintained by local townships.

Snowstorm of 1936
During the Great Depression, when townships were unable to handle the Covert Bond debt, Michigan Legislature passed the “McNitt Act of 1931”. Under the provisions of the act, Covert Bonds were forgiven and “township roads” were transferred to the County’s jurisdiction (or the County Road Commission). County road funding at that time was allocated from Weight and Gasoline taxes. During the five-year transfer period, the Berrien County Road Commission system expanded from 462 miles to over 1,320 miles.

In 1951, when Act 51 passed, it provided more defined activities for County Road Commissions and increased the funding to build and maintain existing road networks. Roadway funding is still allocated through the distribution method established in 1951. Act 51 established the Michigan Transportation Fund (MTF) in which revenue from Michigan fuel tax and vehicle license and registration fees are collected and then allocated to road agencies. The money in the MTF is distributed to the Michigan Department of Transportation (MDOT), the 83 county road agencies and cities or villages according to a formula based on population and public road mileage.
After 100 years of being a Road Commission, in 2017, the County of Berrien took over the Road Commission and established the Berrien County Road Department (BCRD). The Road Department since then reports directly to the Berrien County Board of Commissioners. The BCRD works closely with the community and the 22 townships to continue developing road maintenance and resurfacing programs.

The current BCRD road network consists of approximately 1,477 miles of roads, 104 bridges, 50 miles of guardrail and numerous culverts.

Our roads and the surrounding infrastructure provide critical support for emergency responders, businesses, and the traveling public. You can contact the Berrien County Road Department at:

Mission Statement:
“To maintain a county road system that is safe and convenient for public travel. This mission is carried out by a skilled, hardworking staff.”
To the Residents of Berrien County,

I have been privileged to serve as the County Clerk with a dedicated staff who cares about our office and serving our general public since 2013. I am delighted to share with you the 2023 to 2024 Berrien County Directory. This directory is a resource guide to assist you on all levels of government. This year, the directory is featuring our Berrien County Road Department. I am dedicating this directory to the memory of Mack Isom, a 24 year veteran of the Berrien County Road Department, who was killed on the job in 2022. This directory is also dedicated to all who keep our roads safe.

The directory may be acquired at any of the following County Clerk’s Offices:

Administration Center, 701 Main Street, St. Joseph
Courthouse, 811 Port Street, St. Joseph
South County Building, 1205 N. Front Street, Niles

The directory is also accessible on the County’s website at www.berriencounty.org. The online directory is updated on a quarterly basis. You may contact the Clerk’s Office by calling Debbie or Lauren at 269-983-7111, extension 8236 or 8239 with any updates or changes.

I would like to thank my staff, Debbie and Gillian from the Vital Records Office, for putting this directory together. Much thought and many hours of work has gone into this project to provide you with the most up-to-date information. I would also like to thank Juli in the Printing Department and the Road Department for all of their assistance on this project.

If you require further information or assistance, please do not hesitate to contact the County Clerk’s Office. Please be safe and stay healthy!

Respectfully,

Sharon J. Tyler
Berrien County Clerk

Berrien County, comprising of 585 square miles in the southwestern corner of Michigan, prominently appears in the earliest recordings of history in the Northwest Territory.

Father Marquette, a French Missionary, entered the St. Joseph River mouth in 1669, and French explorer LaSalle built Fort Miami at the present site of St. Joseph City in 1679.

Fort St. Joseph was established by the French in 1691 just south of the present site of the city of Niles. The fort was surrendered to the British about 1761, captured by Chief Pontiac in 1763, taken by the Spaniards in 1781, and by the United States after the Revolutionary War. Thus it became known as “the Land of Four Flags,” which is the theme of the Berrien County Flag adopted in July, 1967.

Parc Aux Vaches, now the site of Bertrand, was an important crossing point of the Great Sauk Trail — a trail and waterway route extending from Montreal to New Orleans, a busy portage from the St. Joseph River to the Kankakee River which ran just south of Parc Aux Vaches. Many early missions were established in the Niles vicinity from 1688 to 1800. Berrien County was separated from Lenawee County in 1829 by the Legislative Council of the Territory of Michigan. The county seat was originally in the town of Newberryport, presently the site of St. Joseph City. The County was named in honor of John M. Berrien of Georgia, an Attorney General in President Andrew Jackson’s cabinet.

Berrien County originally consisted of three townships: Berrien, Niles and St. Joseph.

County functions shifted to Niles in 1831, when the first session of court was held, then returned to Newberryport in 1832.

A schoolhouse on the present site of the St. Joseph Post Office was used as a Courthouse.

In 1837, the County seat was moved to Berrien Springs, where a Courthouse was constructed in 1839.
By decision of a popular vote, the county seat was moved to St. Joseph in 1894 and a new courthouse was built there in 1895. The Berrien Springs Courthouse was sold to the Seventh Day Adventist Church, who used it for a few years as a church and school building. The County of Berrien repurchased the old Courthouse in August of 1967 for use as a County museum. In 1974 Public Act #236 authorized official use of the Courthouse, which is believed the oldest in the State of Michigan.

In 1951 the County built a modern jail on the corner of Port and Wayne Streets. In the early 1960’s it became increasingly apparent that the old County building was inadequate. Many county offices were in rented facilities scattered throughout the twin cities. Planning was begun to erect a new Courthouse, which now stands between Port Street and the St. Joseph River, and most County offices were united under one roof when the building was occupied in October, 1966. Formal dedication ceremonies were held on July 4, 1967.

Berrien County purchased a 24,000 square foot building on St. Joseph Avenue, Stevensville, in 1985 to house the county’s Veteran’s Service Office, the Motor Pool and a warehouse and vaults to store the county’s older records and the county’s print shop. The County outgrew this building by 2000 and it was sold in 2005.

In 1994 the County purchased a building at 2106 M-139 to house some of the overflow departments from the main County Health Department Building located at 969 Pipestone.

The Berrien County Administration Center was purchased in 1998 from Whirlpool Corporation who purchased it from the St. Joseph School District in 1985. The building was built in 1937 and was originally an elementary school called the Washington School. All administrative offices of the county were moved from the courthouse to the new Administration Center; the move included the relocation of approximately 98 employees and elected officials.

The County purchased a building across the street from the Courthouse on the corner of Port and Church Streets. Originally the building was the Land & Title Building, it later became the Holistic Alliance building until the county purchased the 1.65 acre property and 6,300 square foot building in December, 2004.

November, 2005, the County purchased a 71,400 square foot building with 7 acres at 2100 E. Empire Avenue (formerly owned by Peer Corporation). This building allowed the county to consolidate numerous buildings housing the Microfilm, Records & Printing Department, the Motor Pool, Marine Division, Road Patrol, Emergency Management, 9-1-1 and other facilities.

In August, 2010, forty-eight acres of land was purchased by the county at 2393 East Napier Avenue in Benton Charter Township. This property now houses all of the Health Department and is now the home of the new Animal Control Center.
Berrien County’s population has grown from 4,863 in 1837 to 154,316 in 2020, twelfth largest in the State of Michigan. Its 42 miles of Lake Michigan shoreline, 86 inland lakes, and the St. Joseph, Galien and Paw Paw Rivers have attracted a substantial tourist trade. Port facilities and strategic location on arterial highways fostered industrial development. Lake-tempered water and rich soil aided the growth of fruit farming and the area has become one of the national leaders in fruit production.

Berrien County contains 22 townships, ranging in population from 1,412 to 14,929; 8 cities with a range of 1,465 to 11,988; and 9 villages with a range of 200 to 1,910. Due to its strategic location on Lake Michigan between Detroit and Chicago, it encompasses the junction of major federal highway systems.

**FIRST RECORDS ON FILE IN THE COUNTY CLERK’S OFFICE**

**Board of Commissioner Minutes:**
Back in 1832, when the first Board of Commissioner minutes were created, they were called “Supervisor Proceeding Records”. They met in the Niles Council room on Tuesday, October 2, 1832. The Supervisors consisted of:

- Jacob Beeson from Niles Township
- Pitt Brown from Berrien Township
- Amos L. Amsden from St. Joseph Township
- C. K. Green, was the Clerk

**Court Records:**
The Berrien County Court Journal from April of 1842, shows the first court case filed for L. M. Alverson vs. Schooner Henry Norton. Honorable E. Ransom was the Presiding Judge.

**Marriage License:**
The first marriage on record in Berrien County states: “This may certify that I joined together in the solemn bonds of matrimony agreeable to law, Roswell C. Jerome and Armanda M. Jones, on the 8th day of December, A.D. 1831, both of Saranac. S.S. Smith was the Justice of the Peace.”

**Death Certificate:**
Berrien County death records date from March 25, 1867 to the present. The first death recorded was for Delos Ellis who was single, age 18 and was an accidental death from Hagar Township, Michigan.

**Naturalization Records:**
The first Naturalization on record is dated October, 1836. It is for Stephen O’Brien who was a British subject.

BERRIEN COUNTY BOARD OF COMMISSIONERS - POLICY

The Board of Commissioners is the policy making board of the County. The Board is responsible for the administration of County departments as mandated by state law and as determined by resolution of the Board.

As the chief elected board in the County, many decisions are within the purview of the Commissioners such as:

1. Formulate and effect ordinances and regulations at County level.
2. Preparing and supervising Annual County Budget.
3. Appointing County Boards and Commissions.
4. Approving personnel policies for employees.
5. Declaring a state of emergency.
6. Operating and maintaining County buildings.
7. Administering Federal and State programs.
8. Planning for both land use and economic development.
9. Providing services for the enrichment of life.

The Self-Help Legal Resource Center (S-H LRC) has two locations; 2nd floor of the St. Joseph courthouse and in Niles at the South County Building. The Niles office is only open to the public on Wednesdays. Its function is to provide information and materials to those who represent themselves in family and civil proceedings in court. No legal advice is given. Staff and trained volunteers work with a party to increase understanding of the legal system, help determine specific needs, assist with form completion and make appropriate referrals to an attorney, another organization, or community services. Information available includes the following types of proceedings:

- Change of Domicile
- Child Custody
- Child Support
- Conservatorship
- Divorce
- Emancipation
- Expungements
- Guardianship
- Juvenile Adjudication
- Landlord/Tenant
- Name Changes
- Parenting Time

Berrien County Emergency Management and Homeland Security is a Division within the Sheriff’s Office. The Emergency Management Coordinator is responsible for reporting to and working at the direction of the Chairperson of the Board of Commissioners on matters of emergency management. The Sheriff is responsible for the administrative supervision of the program.

The Division is responsible for identifying threats/hazards in the county, then making and implementing plans to respond to disasters created by those hazards. They work to prepare the community to respond to hazards through four main disaster-related program areas: 1) Preparedness/Protection, 2) Mitigation, 3) Response and 4) Recovery. The Division is responsible for coordinating the staff and the functions of the Berrien County Emergency Operating Center (EOC) in times of a disaster. Other activities are to assist local municipal leaders, close roads, provide direction for emergency public shelters, assess damage, organize volunteers, obtain additional resources, and provide information to the public about the disaster.

The County Surveyor’s primary task is to oversee the County Remonumentation Program. This is a State mandated program self funded by document recording fees. Local surveyors are contracted through the County for the systematic maintenance and preservation of the 3067 Government Corners in Berrien County. These corners are the reference points for the description and location of every piece of land in Berrien County used directly or indirectly by surveyors, attorneys, realtors, title companies and property owners.

TREASURER
Berrien County Administration Center
701 Main Street, St. Joseph, MI  49085
Phone: (269) 983-7111   Ext. 8569
The Berrien County Treasurer serves as the custodian of all county funds and is responsible for receipting, recording, disbursing and investing all money deposited with the County. The Treasurer’s Office collects delinquent real and personal property taxes. The statutes of the General Property Tax Law are followed during the three year forfeiture and foreclosure process for real taxes and the six year process for personal property taxes. All prior year(s) Board of Review, Michigan Tax Tribunal, and Department of Treasury changes, along with Primary Residence Exemption denials are generated in the Treasurer’s Office.

Dog licenses and county park passes can also be purchased in the Treasurer’s Office.

The Southwest Michigan Planning Commission (SWMPC) is a regional planning organization established to cooperatively engage in planning that addresses issues affecting Berrien, Cass and Van Buren Counties. In addition, the SWMPC is a federally-designated Metropolitan Transportation Planning Organization (MPO), the regional economic development planning district of the Federal Economic Development Administration (EDA), and a local affiliate agency of the Library of Michigan. The SWMPC provides technical or management assistance to local units of government in the areas of environmental and water use planning, grant writing, grant administration, recreation planning, Census and other demographic data and traffic studies.

The SWMPC is governed by a voluntary board comprised of county commissioners, city and township representatives, and appointed citizens representing Berrien, Cass and Van Buren Counties. The full Board meets on the third Tuesday of February, April, June, August, October and December.

AIRPORT AUTHORITY

The Southwest Michigan Regional Airport is a twenty-four hour all-weather aviation facility. The development, maintenance and safe operation of the airport is the responsibility of the Southwest Michigan Regional Airport Authority. Operations are managed by an Airport Director and a staff hired by the Airport Authority. The airport offers a full range of services for business and general aviation. The airport also supports the community with on-demand charter service access for people and urgent cargo. Emergency medical flights, Coast Guard aerial rescue operations, and Military training exercises frequent the Southwest Michigan Regional Airport.

The Authority is supported by millage revenues from six municipalities, as well as user fees, fuel sales, and lease agreements. The Authority Board consists of one member from each participating municipality; the City of Benton Harbor, the City of St. Joseph, St. Joseph Charter Township, Lincoln Charter Township, Benton Charter Township and Royalton Township.

The History Center at Courthouse Square in Berrien Springs is the oldest surviving county government complex in the Midwest, and was Berrien County’s first county seat. The History Center at Courthouse Square is comprised of a historic site, museum, archives and offers programs, special events and local history publications.

Original to the site is the 1839 Greek Revival Style Berrien County Courthouse - restored courtroom on the second floor and museum located on the first floor, and the 1870 Italianate Style Sheriff’s Residence - office and jail plaza re-created in the original jail’s footprint. The historic site also includes the 1830 Murdock Log House - moved to the site and typical of pioneer life of the time, and Bennett’s Forge - a working forge developed to illustrate the importance of the blacksmith in early 19th century communities. The Berrien County Historical Association is currently raising funds to restore the 1860/1873 County Office and Records Building, also original to the site, as a new museum, museum store and archives.

The complex was placed on the National Register of Historic Places in 1970. In June of 2013, the complex was designated by the Michigan Bar Association as the 38th Legal Milestone. The Berrien County Board of Commissioners approved the property and structures (which are owned by Berrien County) as a county park; Historic Courthouse Square County Park, in January 2014.

The Ferry Street Resource Center (FSRC) is a non-profit advocacy and referral center funded, in part, by the Department of Housing and Urban Development with support from the City of Niles and through various fund raising and grant assistance programs. As a community advocacy center, the focus of FSRC is to educate and empower residents that live within the City of Niles and the surrounding region.

The mission of the FSRC is to assist area residents in securing resources and to provide educational and life-enrichment programs. Our goal is to guide residents in the path to sustainability and bridge existing educational, cultural and societal gaps that exist within our community.

Vision Statement: Creating a strong, vibrant, caring community.

Mission Statement: Fostering a community of philanthropy, for good, forever.

In support of our mission, the Foundation seeks to:

- Responsibly and wisely manage the Foundation’s resources by attracting and holding permanent endowments from a wide range of donors.
- Anticipate and address community needs by effectively distributing Foundation resources.
- Serve all donors through a variety of giving opportunities.
- Bring together diverse interests in search of common solutions.
- Dedicate the Foundation to fairness, objectivity and responsiveness to all those seeking its philanthropic services.

In Rememberance

Evidence of a Life Well-Lived is Found in Those who Love You.

-Unknown
Blek was a beloved, loyal and faithful partner to Deputy Brandon Crosby since November of 2019 after they successfully completed 7 weeks of basic training at FMK9 in Berrien Springs, Michigan. Blek’s favorite toy was his tug toy since he loved to play tug of war. Blek passed away unexpectedly on July 19, 2022 during an emergency surgery for a twisted stomach. He was also one of the “Hero Dogs” of the Berrien County K9 Unit featured in the 2021-2022 Berrien County Directory.

A memorial service was held in 2022 in honor of Blek for his years of dedication to the Berrien County Sheriff’s Office and the community.
The Berrien County Board of Commissioners deems it appropriate to formally recognize and honor William “Mack” Isom, who spent a good portion of his life serving the citizens of Berrien County, through the dedication of the portion of Red Bud Trail between Snow Road and Grange Road as the “Mack Isom Memorial Road.”

THE HONORABLE BOARD OF COMMISSIONERS OF BERRIEN COUNTY, MICHIGAN approves the following:

RESOLUTION

WHEREAS, William “Mack” Isom, born January 24, 1935, was a lifetime resident of Berrien County and was fondly called Mack by all that knew and loved him; and

WHEREAS, he began his employment with Berrien County on December 1, 1957 in the Road Department and faithfully served the traveling public for over 34 years; and

WHEREAS, for the entirety of his career, Mack worked out of the Baroda garage and was ultimately named as a lead worker; and

WHEREAS, a hardworking, dedicated employee, he was known for his ability to operate any piece of equipment and would willingly take on any job asked of him; and

WHEREAS, tragically, on July 20, 2022, Mack was killed in the line of duty while trying to clear a road to make it safe for the traveling public on Red Bud Trail in Oronoko Township between Snow Road and Grange Road; and

WHEREAS, it is appropriate that the nearly 35 years of service and sacrifice of Mack Isom be honored and remembered.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Berrien County Board of Commissioners deems it appropriate to formally recognize and honor Mack Isom, who spent a good portion of his life serving the citizens of Berrien County, through the dedication of the portion of Red Bud Trail between Snow Road and Grange Road as the “Mack Isom Memorial Road”

BE IT FURTHER RESOLVED that Mack’s life, actions, and contributions reflect most favorably upon himself, his loved ones, the County of Berrien, the State of Michigan, and United States of America.

BE IT FURTHER RESOLVED that within 30 days of the effective date of this resolution, the Berrien County Road Department will erect the appropriate signage.

Respectfully submitted,

BERRIEN COUNTY BOARD OF COMMISSIONERS

Mack Isom Memorial Road
In Memory Of...

Mack Isom

Mack Isom was a 24 year veteran of the Berrien County Road Department. He was employed for many years at Michigan Standard Alloys, before joining the Berrien County Road Department on December 1, 1997. He loved his work. There was no job that he couldn’t do or equipment that he couldn’t operate. He was currently employed as a lead worker. Mack also enjoyed the time spent at his second job with Sunnybrook Farms in Baroda where he worked for many years.

Mack was a people person who had friends too numerous to mention. He was an avid Notre Dame fan as well as anything John Deere. He loved animals. In his free time he enjoyed hunting, fishing, golfing and just being outdoors.

Mack was killed on the job and passed away on July 20, 2022. He will be deeply missed by all who knew and loved him.
