

Berrien County Dog License Application

Renewal dates are based on your pet's rabies vaccination date. The dog license will be deemed delinquent and subject to \$20.00 delinquent fee 30 days after vaccination/anniversary date.

Pre-printed applications will be sent by mail thirty days before the next rabies vaccination month. Failure to receive the renewal notice does not waive the delinquent fee.

Fees		
	On Time	Delinquent
Male	\$25.00	\$45.00
Female	\$25.00	\$45.00
Unsexed	\$10.00	\$30.00

Puppies that turn 4 months old and newly acquired older dogs are eligible for licenses at the on time rate if the license is purchased within 30 days of their becoming 4 months old or of being acquired.

RABIES VACCINATION:

Vaccine must be given by a licensed veterinarian. You must send the original rabies certificate with this application. The certificate will be returned with the license.

SPAYED/NEUTERED CERTIFICATE:

A veterinarian's certificate of sterilization is required for the unsexed license. You must send the original spay/neuter certificate with this application. The certificate will be returned with the license.

Please make checks payable to **County of Berrien.**

Mail check, this form, rabies certificate and spayed/neutered notification to:
